

TEAK ADIRONDACK CHAIR:

When spring is in the air, what could be a more delightful pastime than sitting outdoors, ensconced in an exquisitely comfortable Teak Adirondack Chair, savoring the beauty of Nature? Be it your back yard, pool side, patio or garden area, the Adirondack is a perfect match for any outdoor setting. Its ergonomic designing and perfect back angle offer the right kind of leisure-time repose with adequate back support. Made of solid seasoned Teak, the Kingsley-Bate Adirondack Chair has a wild rustic beauty. Its sturdy body, convenient back angle and glossy Teak surface, gives it the winning edge over all other outdoor teak furniture. Teak wood is the right choice when it comes to durability. It is virtually maintenance-free and lasts for decades. Indoor storage is advised during winter to protect it from frost. Polishing it with teak oil makes it gleam again. The grain and look actually improve with age!

What could be more pleasant than lying stretched out on your fabulous Teak Adirondack, sunbathing, enjoying the view, relaxing with your favorite drink, reading and relaxing with your family? Unlike its market peers, the Kingsley-Bate Teak Adirondack Chair is extremely convenient for reading and resting. You can rest on it for hours together without tiring your back. An Ottoman will add to your comfort level and is available as an optional add-on. What could be better than a Kingsley-Bate Teak Adirondack Chair? Two Kingsley-Bate Teak Adirondack Chairs, of course! One chair could lead to a game of musical chairs!
